## Cutting Food Costs With Outrigger Condos

Travelers love condominiums because they can cook in their own kitchens and fire up the resort barbecues. Through Dec. 31, guests of **HAWAII VACATION CONDOS BY OUTRIGGER** can shave off even more from their dining expenses thanks to a partnership with Foodland, Hawaii's biggest locally owned supermarket. Clients receive a Maikai key tag good for 10 percent off their Foodland purchases of at least \$50. By presenting the tag at the grocery checkout, they save money on produce, meat and other ingredients. Outrigger condos on four islands are participating in the promotion.
