## Introducing a Reimagined Pool Experience at Outrigger Reef Waikiki Beach Resort

*Interactive pool offerings inspired by Polynesian Voyaging now available  
with personalized service and elevated food and beverage*

**HONOLULU** – At the foot of the cerulean waters of Waikiki Beach, the pool at [Outrigger Reef Waikiki Beach Resort](#) has become synonymous with ultimate rest and relaxation paired with the hospitality brand’s signature experiences. To further enhance its guest amenities, Outrigger Reef Waikiki Beach Resort just launched a reimagined pool experience introducing guests to a new lineup of premium poolside offerings and indulgences with an elevated level of hospitality Outrigger is best known for.

Inspired by Hawaiian culture and the local Hokule`a Polynesian Voyaging Society connected to Outrigger Reef Waikiki Beach Resort, the revitalized guest offering includes an interactive pool experience with fresh food and beverage, personalized storytelling,

Hawaiian music and beach and pool-related retail options with nods to OZONE (Outrigger’s ZONE), a global eco-friendly initiative to protect the world’s oceans.

Each poolside cabana is named with inspiration from the Art of Wayfinding, a foundational framework provided by the star compass for Polynesian Voyaging that is divided into 32 houses, each bearing on the horizon where a celestial body resides. This Hawaiian tradition is reflected at the pool welcome desk, named Ho`okipa Hale, and the hydration station dubbed Hale Haka. The revamped pool experience at Outrigger Reef Waikiki Beach Resort also boasts six new cabanas carrying the Hale name – Hale La (Sun), Hale `Aina (Land), Hale Noio (Tern Bird), Hale Manu (Bird), Hale Nalani (Heavens) and Hale Naleo (Voices) – along with casabella cabanas referred to as Pune.

“Whether lounging in one of the Hale-inspired cabanas or sipping fruit-infused water from the new Hale Haka hydration station, our reimagined pool experience offers the perfect amount of luxury and entertainment, catering to both couples and families alike.” said Kelly Hoen, area general manager for Outrigger Resorts. “This impressive new pool offering combined with our breadth of guest amenities is what makes Outrigger Reef Waikiki Beach Resort stand out as a world-class property on the shores of Waikiki.”

Guests of Outrigger Reef Waikiki Beach Resort and select guests of Waikiki Shore by Outrigger® can now take advantage of the new Hale cabanas, including an outdoor couch, two chaises, two outdoor chairs, a cooler, a snack basket, two reusable beverage containers, local and luxury magazines, and reef safe sunscreen. Menu items from Kani Ka Pila Grille are also available for purchase.

Hale and Pune are available for full and half-day bookings; however, reservations are required:
