Escape to

KOH SAMUI

This lush Thai island has plenty
of adventure and romance

Stay: IN LUXURY

If escaping to a lush, romantic paradise sounds like your thing, Koh Samui is for you. The Outrigger Koh Samui Beach Resort is all about romance, but while it's definitely popular with honeymooners (and a proposal hotspot!), you'll likely see a few families, too. Seclude yourself in one of the resort's 52 stunning suites, which each come with a private sundeck and cooling plunge pool! Set against the gorgeous shores of Hanuman Bay near Chaweng Beach, you can dine under the stars to the soothing sound of the ocean. After a massage at the serene Navasana Spa, relax at the resort or book a tour of island exploring and adventures, such as sunset sailing, diving and snorkelling, or a jungle safari!

Explore: FISHERMAN'S VILLAGE

Head on down to Fisherman's Village in Bophut, where you can explore the bustling night markets in Walking Street. Find a range of unique foods, clothes, handicrafts and street performances including Muay Thai demos, music and beatboxing, and traditional Thai dances. Then chill out at Coco Tam's, where you can watch a fire show while enjoying the club's famous 'Dark Passion' cocktail.

Rihanna's just one A-lister who can't get enough of Thailand's stunning beaches.

Learn: CULTURAL SKILLS

Those who prefer to stay closer to home base can take advantage of one of the many classes on offer at Outrigger. Take part in a soap or leather-carving class, where you'll learn a cultural skill taught by a traditional master. If cooking is your thing, join a class at the Blue Fire Thai Cooking School, where you'll discover how to whip up authentic dishes like tom yum goong. You can also get in touch with your inner yogi with a relaxing yoga session by the beach or garden.

Eat & drink: AT EDGEWATER

Set against the backdrop of the pristine ocean, Outrigger's Edgewater restaurant offers an array of sumptuous local and international delicacies, and is well-known on the island for its wood-fired pizza. Then relax at the resort's pool bar, or head to Sunset by Angelina in nearby Bophut to kick back with a meal or cocktail as you watch the stunning sunset.

Experience: THE ROMANCE

Koh Samui is an island of charm and natural beauty, which makes it an obvious choice for destination weddings. Outrigger offers several packages for couples who come to say 'I do'. There are options for either a traditional Thai or western ceremony, with a dedicated travel planner to take you through every step.

Play tourist at Lad Koh Viewpoint

Visit: THE SIGHTS

One of several stunning sightseeing spots, Lad Koh Viewpoint is not to be missed. Koh Samui is famous for its coconuts, so you'll definitely need to check out the nearby Lamai Fresh Coconut Ice-Cream store, which is known for having the best ice-cream on the island. For something more spiritual, visit one of the island's temples, such as the Big Buddha Temple or Wat Plai Laem on the north-east coast.
