HONOLULU – In stride with the property's \$80 million transformation, [Outrigger Reef Waikiki Beach Resort](#) has unveiled its most luxurious adventure package to date: *The Reef's Navigator Experience* – affording discerning travelers an opportunity to explore the natural wonders of the island with a private chauffeur, helicopter and yacht.

Travelers who book this package will enjoy the serenity and comfort of the Pacific Tower's 'Navigator Floor' – with nearly 10,000 sq. feet of living space, including four penthouse suites, well-appointed common areas and the largest private deck space in Waikiki. The spacious accommodations have five bedrooms, sleep up to 18 people and are ideal for multi-generational family getaways, an epic friends' trip, or luxury seekers on a bucket-list vacation.

Included when booking the Navigator Floor are a signature welcome amenity and access to the resort's Voyager 47 Club Lounge with daily breakfast, locally sourced sunset pūpū (appetizers) and beverages.

“Hawai'i is open for travel and we are pleased to offer O'ahu's most luxurious vacation package, combining the exclusivity of an entire resort floor – boasting 360-degree views from mountain to ocean – with breathtakingly beautiful adventures on a private yacht and Blue Hawaiian helicopter,” said Markus Krebs, general manager of Outrigger Reef Waikiki Beach Resort. “The Reef's Navigator Experience is the vacation of a lifetime, tailored to our guests' needs with every detail arranged by our reservation professionals.”

With its prime beachfront location, Outrigger Reef Waikiki Beach Resort is a contemporary retreat, rooted in Hawaiian culture. Sophisticated property enhancements include upscale residential-style rooms and suites, chic poolside experiences alongside a fully re-imagined Kani Ka Pila Grille and stage – the home of Hawaiian music.

The Navigator Floor's four penthouse suites are named in honor of Hawai'i's esteemed Pwo Navigators. Each of the five bedrooms features a print of Hōkūle'a, the canoe that inspired millions when it sailed around the world using only signs from nature – such as the ocean currents, wind and stars. The print, painted by Hawaiian historian and Polynesian Voyaging Society co-founder Herb Kāne, is part of a thoughtfully curated gallery throughout the Navigator Floor with museum-caliber photos and illustrations depicting ocean navigation and Hawaiian heritage.

When the guests are ready to embark on their adventure across land, sea and sky – The Reef's Navigator Experience enlists premier partners to cultivate the ultimate Hawai'i itinerary:

- **Luxury from Point A to Point B:** Guests will travel in comfort and style with first-class transfers from Outrigger Reef Waikiki Beach Resort by a private chauffeur – operated by [Platinum Limo](#) – and arrive at the excursions refreshed and ready to embark on a dream experience. At the end of the adventure, the private driver returns guests to the Navigator Floor to relax and unwind.
- **Sky's the Limit:** Founded in 1985, award-winning [Blue Hawaiian Helicopters](#) is Hawai'i's #1 helicopter tour company. Operating the world's finest fleet of state-of-the-art helicopters, guests will embark on a private charter tour (up to six people) for a grand adventure to see the full range of Hawai'i's natural beauty and breathtaking landscape. Sightseeing wish lists come true as guests soar over the Waikiki coastline, Pearl Harbor and Diamond Head then glide alongside majestic vistas, lush green valleys and turquoise Pacific Ocean.
- **Seas the Day:** Seafaring guests then arrive at Ala Moana Harbor to set sail on Hawai'i's largest luxury motor yacht. [Noelani](#) is a celebrity, as seen on The Travel Channel: the 75-foot Sunseeker Predator provides up to 12 guests with a first-class experience. The 2-3 hour sail includes a champagne reception, sumptuous appetizer platters and a full bar. For those wanting to jump in the warm tropical waters – the yacht has snorkeling and stand-up paddleboards to enjoy. From shore to sea, after a day bathed in luxury aboard the Noelani and the sun sets, guests are chauffeured home to the Navigator Floor to share stories of the day with family and friends in the gorgeous private accommodations.

The Reef's Navigator Experience, filled with adventure and extravagance, is ideal for wedding parties, reunions, milestone birthdays, or anyone looking to enjoy the beauty of Hawai'i in the most authentic and luxurious way possible.
