PHUKET, THAILAND – Outrigger Khao Lak Beach Resort in Southern Thailand opened February 7, with first guests arriving to the new beachfront property from Thailand, Germany and Scandinavia. To mark the milestone, Outrigger has announced a special value-add opening rate for guests.

The new Outrigger Khao Lak Beach Resort, a 158-key property on pristine Bang Sak Beach, is now offering rates from \$125 per night for a spacious and elegant Deluxe Garden Terrace Room for travel until April 18, 2022.

The opening promotion, “Long Stay Offer,” includes breakfast for two, return roundtrip transfers from and to Phuket airport, \$45 food and beverage credit per stay, 20% off laundry and flexible check-in and out. A minimum seven-night stay is required.

The resort, acquired by Outrigger last year, has been refurbished by award-winning architectural firm, Santhaya & Associates (S+A) with new design elements emphasizing a seamless connection between sea, sand and the green landscape. Outrigger canoe motifs and local Southern Thai artifacts such as textured prints and relaxed earth tone colors, promote a sense of tranquility for guests seeking unity with nature.

The property is absolute beachfront with all rooms, suites and villas featuring a balcony or terrace. Resort villas include private plunge pools – perfect for couples. From the re-styled lobby via the lush tropical garden to the beachside Edgewater Bar & Grill, the entire resort has been reimagined to help guests relax in comfort and style.

“Outrigger Khao Lak Beach Resort is a tropical paradise; guests can unwind in our swimming pool or plush cabanas while enjoying the breathtaking views of the Andaman Sea,” said Tony Pedroni, Outrigger’s area general manager for Thailand. “Our beachfront Edgewater Bar & Grill is proving very popular with delicious culinary and cocktail offerings in a spectacular ‘chill-out’ atmosphere.”

Designed as a focal meeting and relaxing space for guests, Edgewater Bar & Grill has a large open-concept kitchen with lounge chairs, sofas, daybeds and tropical swing chairs.

This is Outrigger’s second Thailand property to open in the last few months – the first being Outrigger Surin Beach Resort in late December. A third property, Outrigger Koh Samui Beach Resort is scheduled to open by July 2022.
