**MALDIVES** – Outrigger Maldives Maafushivaru Resort has been selected by Luxury Lifestyle Awards as one of the Top 100 Hotels and Resorts of the World 2022. The judges also named the property's General Manager, John Allanson, as one of the world's "Top 100 General Managers for 2022."

Since acquiring and opening the resort in April 2022, Allanson has led the luxurious 81-key all-villa property to a 5.0 "Excellent" rating on TripAdvisor based on more than 600 reviews.

The awards recognize an elite group of companies and leaders that represent the "best of the best" as selected and assessed by industry sources, based on reputation, credibility, brand awareness, luxury experience and service excellence.

The organizing committee said of the awards, "Your impeccable reputation and professional performance have been recognized and acknowledged."

A TripAdvisor review of the resort in December 2022 is indicative: "Everyone – the wait staff, management, concierges, hosts, chefs, kitchen geniuses, grounds keepers, gardeners, water activity experts, spa therapists, security and the excellent housekeeping team – blew us away. No business is a perfectly well-oiled machine and there are always issues that can be improved, but this one definitely does their absolute best to make guests believe that there are no imperfections."

Outrigger Maldives General Manager, John Allanson, said, “We are grateful to the judges at Luxury Lifestyle Awards and to all guests who went out of their way to leave a positive review. On behalf of all the dedicated and hard-working hosts at the resort, we appreciate it very much.”

Offering small-island charm with contemporary architecture and bespoke finishing touches, Outrigger Maldives Maafushivaru Resort offers guests an idyllic island experience, epitomizing all that one thinks of when dreaming of the Maldives.
