HONOLULU – [OUTRIGGER Resorts & Hotels](#) announces the debut of its [Premier Suite Collection](#), a global portfolio of beachfront villas and suites across Hawai'i, Fiji, Thailand, Mauritius and the Maldives. Launching amid growing demand for multi-generational travel and residential-style stays, the collection spans some of the world's most iconic shorelines. Each residence reflects a bold evolution of barefoot luxury – where space, design and a deep sense of place come together to invite connection, cultural immersion and unhurried ease.

Shaped by a multi-year transformation across OUTRIGGER's beachfront resorts, the collection introduces expansive layouts, refined interiors and access to the Voyager 47 Club Lounge at select properties – a premium amenity offering locally curated breakfasts and evening bites alongside panoramic ocean views.

"Today's traveler is looking for more than a place to stay – they're seeking a stronger connection to their surroundings and experiences that feel deeply personal," said Sean Dee, EVP and Chief Commercial Officer at OUTRIGGER Resorts & Hotels. "The Premier Suites & Villas Collection brings barefoot luxury to life in a more expansive way, where design, space and culture are shaped by the destination."

Whether celebrating a milestone, gathering with extended family, or simply slowing down, OUTRIGGER's Premier Suites & Villas Collection offers room to reconnect in some of the world's most remarkable beachfront settings:

O'ahu: Panoramic Penthouses with a Cultural Soul

- Coral Reef Penthouse – [OUTRIGGER Reef Waikīkī Beach Resort](#)
