KOH SAMUI, THAILAND – For families looking to spend less time scrolling and more time together, [OUTRIGGER Koh Samui Beach Resort](#) offers an island escape built around shared experiences. Set within tropical gardens across from Lamai Beach, the five-star resort combines easygoing beach days with Thai culture, outdoor discovery and hands-on conservation.

Located away from Koh Samui's busiest tourist areas, the resort is perfectly suited for multi-generational stays. Family Connecting Rooms give guests space to spread out while remaining close and Family Garden Terrace Rooms feature bunk beds and a private terrace.

At the Coral Kids Club, younger travelers can learn about native plants, recycling and island wildlife, create Thai-inspired crafts and meet other children through a daily program of games and activities. Families can also choose from four swimming pools, a waterslide and the island's only indoor laser tag venue. For the parents, morning yoga, Muay Thai and batik painting offer a taste of local culture and a change of pace, while Edgewater Beach Club serves Thai dishes and international favorites in a relaxed setting overlooking the beach.

Just offshore, seagrass meadows provide a vital habitat for marine life and help protect the coastline. Through OUTRIGGER Zone and local partnerships, the resort supports seagrass restoration, responsible fishing and community-led conservation. Families can visit Baan Tai Crab Bank, which released three million crabs last year, or discover sustainable island farming at BannYa Suanpu Learning Center & Farm. Guests can also join recycling activities and beach cleanups, giving children a hands-on way to care for the places they visit.

“Families want a vacation that feels restorative, but they also want their time together to mean something,” said Leah Matters, General Manager of OUTRIGGER Koh Samui Beach Resort. “Koh Samui gives us an extraordinary natural classroom. Children can learn why seagrass matters, see how a crab bank supports marine life and explore the island alongside their parents. It’s simple, meaningful time together, and often what families remember most.”

The resort’s approach reflects The OUTRIGGER Way, the hospitality company’s long-standing culture of caring for guests, hosts and the communities it calls home. By bringing local culture and conservation into the family vacation, OUTRIGGER Koh Samui Beach Resort offers something increasingly valuable: time together, with a genuine sense of place.
